### PLEASE READ CAREFULLY:

- We only need 5-7 strands of hair, at least 1 inch (2.5 cm) long.
- The hair can come from anywhere on the body, it doesn't have to be from your head.
- Place the hair in a sealed grip bag to keep it dry and secure during transit.
- Label each sample clearly (if applicable).
- Put the hair sample(s) and the completed submission form into an envelope.
- We aim to return all test results within 72 hours of receiving your sample.
- Hair dye does not affect the test.
- Please ensure the correct postage is paid, incorrect postage may cause delays. Healthy Stuff is not liable for these fees, and your package could be returned.
- Do not send hair in metal foil or any metallic packaging.
- Do not include any other items in the bag with your hair sample, this can affect the test and lead to inaccurate results.
- We do not send printed reports.
- We simply require your hair sample for testing and will email your results once the test is complete.
